## ARTIST PROFILE

Scott Mosher is a professional senior-level graphic designer, production artist and art director with over 13 years of experience, specializing in design for the entertainment, publishing and advertising industries. He provides versatile, cutting edge graphic design services to a diverse base of clients - design that makes heads turn, bodies move and puts people in the seats. Over the course of time, Mr. Mosher has developed a myriad of creative and artistic abilities, possess significant organizational and communication skills, and considers himself a dependable, inventive and efficient resource for any company. He was also a judge for the 2010 Key Art Awards.

## PROJECT EXPERIENCE

Corporate identity, logo design, brochures, direct mail, print advertisements, book covers and layout, CD/DVD package design, magazine covers, editorial layout, posters and signage, key art, packaging design, product sell sheets, special projects (in-store promotional graphics, greeting cards, press kits, menus, resumes, calendars, trading cards, maps, game boards, marketing plans, billboards, trade show graphics), photo retouching and manipulation, digital imaging, project management, PDF production, web site design, internet graphics (icon design, UI design, web banners, animated graphics, Flash slideshows.)
